Davis County EMS Protocols

Dr. Peter Taillac, Medical Director with the Utah Bureau of Emergency Medical Services (UBEMS), addressed the council to discuss outstanding protocol inquiries. He expressed appreciation for the invitation to attend. Dr. Taillac shared that the correct terminology regarding the state documents would be "Guidelines"; allowing for each County or Agency to establish the Protocol directives to follow.

Dr. Taillac shared that the state protocol guidelines were established based upon evidence based data. Approximately 80-90% of agencies within the state of Utah have adopted them; some agencies modified . He stated that the objective is to have general processes with allowance to adjust based upon agency needs. Dr. Taillac reported that in 2019, Version III of the EMS Protocol documents will be reviewed by a committee. He added that Davis County EMS Council suggestions will be taken into account, extending an invitation to attend as it is an open meeting.

A new document edit to the Davis County EMS Protocols includes:

- 2017 Utah EMS Cardiac Protocol Guidelines (*Note: DAVIS COUNTY EMS Revised 08/2018*)
